Site Restrictions

Please read the following restrictions and adhere to them in order to promote an orderly, safe, pleasant, and exciting competition. As a group, we all should honor agreements with the venue and help promote the spirit of good partnership.

Please:

- **Do not bring food** on the site. If you bring food, do not bring it onto the property.
- **Do not use noisy devices**, such as whistles or air horns.
- **Do not save seats**. It is not fair to other teams or to the public guests we hope to interest as team sponsors or volunteers.
- **Do not ship robots directly to the site**. All shipments go through the Drayage Company.
- **Do not arrange for Internet access** on the site or bring free phone lines for same.
- **Do not sell any products**. This includes food, hats, shirts, or any promotional products.

- **Do not give out any free food products**, such as candy, water, soft drinks, or fruit. You may trade team pins, however.
- **Do not use helium tanks.**
- **Do not bring live bands** to play in the audience. This dilutes the presentation on the playing field and is too loud and confusing for the audience.
- **Do not play loud music in the Pit** because it interferes with important announcements. If a team receives more than a warning or two, the power to the team's Pit Station will be shut off and/or the music confiscated.
- **Do not run in the venue.**
- **Open-toed shoes are not allowed.**

NEW: FIRST Consent Form Revisions Overview

FIRST has revised the Consent and Release Form with several goals in mind: 1) simplifying the process by creating a unified form; 2) collecting participant data to make it possible to conduct more effective outreach and marketing to alumni; 3) and give *FIRST* the capacity to conduct regular follow-up studies of its participants in order to better demonstrate impact. This information is critical to *FIRST* because it will provide a roadmap for the organization, guide program implementation and management, and communicate more confidently the impact to schools, sponsors and other groups. In order for *FIRST* to quantitatively state that our programs are positively impacting participating students, corporations, schools and communities we need to collect information on the individual level. The Consent Forms are the only place where *FIRST* collects that type of information.

The goal of the *FIRST* Consent Forms is to ensure the following:

- To get consent and release of liabilities due to harm and/or injury for *FIRST* and *FIRST*'s "Cooperating Entities"
- To grant *FIRST* the right to use participant's likeness during the participation in *FIRST* events
- To ensure that agents of *FIRST* and on behalf of *FIRST* can collect and analyze information for us
- To grant *FIRST* the right to contact the Parent/Guardian and participants at a later time for evaluation and/or announce other benefits like alumni outreach efforts

Because we are dealing with youth and youth information, *FIRST* must be in compliance with the US Children's Online Privacy Protection Act (under the age 13) and the Canadian Online Protection Act

The following form is the only acceptable *FIRST* form for the 2007 FRC events. Remember to bring your completed forms, for all the persons on your team, to your initial competition event.
